Frequently Asked Questions

Why am I receiving this Notice of Internet Availability?

The Securities and Exchange Commission ("SEC") permits companies to send the enclosed "Notice" instead of a full printed set of proxy materials. The Notice provides instructions on how to view your company's proxy materials, vote online and request a full set of printed materials by mail.

There are several advantages to your company sending a Notice instead of a full set of materials, including lowering your company's costs and reducing the environmental impact from printing and mailing full sets of proxy materials.

How do I view the proxy materials online?

Go to www.proxyvote.com and enter your control number to get started. Your control number can be found on the enclosed Notice.

What if I prefer to receive a paper copy of the proxy materials?

You can easily request a paper copy which will be mailed to you at no cost. Instructions on how to do so can be found in the *Get informed before you vote* section of the Notice.

Can I receive proxy materials for future meetings by e-mail rather than receive a Notice?

Yes you can. Go to www.proxyvote.com and select "Email" in the Delivery Settings section.
